Item 11: S106 funding application by The Coddensham Centre

The Coddensham Centre (TCC) has been granted £14,352 in S106 funding for the erection of a clad an insulated container, subject to planning permission in the car park. This will replace the current 'pavilion' on the recreation ground, which is at end of life and store, amongst other community items, the parish council's marquees.

In accordance with the guidelines S106 funding should be notified to the parish council and noted.
