Thank you very much for your generous donation to St Elizabeth Hospice.

With your support, we can continue to improve life for people living with a progressive illness across East Suffolk, Great Yarmouth and Waveney.

Each year, we care for more than 4,000 patients aged 14 and over, and the demand for our services continues to grow. As a local charity, we must raise around 70 per cent of our funding ourselves, so it is the kindness and generosity of people like you that ensures we can continue providing expert care, free of charge, when it is needed most.

Your support truly makes a difference. Many of the people we care for tell us that our services are a lifeline, and your donation helps make that possible.

Thank you once again for choosing to support your local hospice.

With warm regards,

Ellie Main

Associate Director of Fundraising and Supporter Engagement
