Good afternoon Colin,

Thank you for your enquiry.

The price for the replacement battery is £110.29 each (based on you retaining the connector and reusing it on the new battery)

The ball park price for our mid-range new units (Compact, Vario or Mini) is as follows:

Mains powered including mounting kit	-	£2257.75 each + VAT
Solar powered including mounting kit	-	£2608.93 each + VAT
Battery powered including mounting kit, 2 batteries and a charger)	-	£2477.02 each + VA

Delivery is approx. £120.00T

Kind Regards

Richard Harvey
